

HOLMSLEY CAMPING IN THE FOREST SITE

Forest Road, Christchurch, Dorset

USE BH23 8EB FOR SAT NAVS

22 - 27 August 2019 (5 day rally)

SINCE 1907

CARAVAN AND MOTORHOME CLUB

Holmsley site occupies part of what used to be Holmsley Airfield in WWII — one of 12 New Forest wartime airfields. Tracks and footpaths lead straight from the site for both cyclists and walkers and the rural villages of Burley and Bransgore are close by. Not much further away is Christchurch, New Milton and Bournemouth; our more urban neighbours.

The New Forest Tour Bus service will also be available during our visit. This hop on/hop off scenic tourist bus operates throughout the summer and could be just what you need to see what's on offer.

Visit Christchurch Castle and Norman House (free if you are a member of English Heritage); or pristine beaches and blustery coastline walks await at Rally Barton on Sea, Bournemouth, Poole and everywhere in between.

Directions to site: Leave the M3 at junction 13 onto M27 (So'ton Docks/Bournemouth). Leave the M27 at junction 2. Take 1st exit at the roundabout (A31), at the roundabout take the 3rd exit onto Lyndhurst Road/A337, turn right. Turn right at Pikes Hill, turn left toward A35. Turn right onto A35, turn right towards Lyndhurst Road, continue onto Lyndhurst Road, turn right onto Forest Road, then turn left into site, restricted usage road. Look for signs: MCC
