

KOP HILL CLIMB

20 – 22 September 2019

Princes Risborough Upper School, Merton Road,
Princes Risborough, HP27 0DT

This most popular speed hill climb in the country, for motorcycles and cars, celebrates the **10th ANNIVERSARY** since its' revival in 2009. For two days (Saturday 21 and Sunday 22 of September) the hill will be returned to its' glorious past. Over 250 historic vehicles, from the earliest days through to post-war classics plus a few modern exotic cars, will show how motoring has developed over the last 100 years. Many will be seen once more storming the hill. This is an opportunity for drivers, riders, classic owners and spectators alike to support an exciting and historic event and raise money for worthy local charities. The event is within walking distance of our temporary site*. Discounted tickets to attend the Hill Climb can be purchased from the Information Shop in Princes Risborough.

[*This is a temporary weekend site and members must use own facilities - no toilet blocks or electric hook-ups are available](#)
